Mission

Broadwater Academy is the premier learning community on the Eastern Shore of Virginia for pre-K – 12 education.

With a challenging curriculum, talented instructors, and a diverse student body, Broadwater develops the next generation of respectful, civic-minded leaders and productive citizens.

BOARD CHAIR MESSAGE

Dear Broadwater Family,

As I begin my final year as Chair of the Board of Trustees, I would like to sincerely thank you all for the opportunity to serve the Broadwater community. I especially want to thank my fellow trustees for the tremendous support I have enjoyed from them over the last four years. We are truly blessed to have such a talented group of people all willing to donate their time, energy, money, and skills to ensure the future success of Broadwater Academy. I would also like to thank our Head of School, Fran Ryan. I was not on the Board when Mr. Ryan was hired, but his skilled leadership and steady hand during crises big and small have made my time as Chair so much easier. Mr. Ryan has not only improved the professionalism of our faculty and staff, but he has contributed significantly to the professional growth of our Board of Trustees.

The productive relationship between the Board and the Administration has resulted in exciting progress of all kinds. We have been able to tackle many deferred maintenance issues, such as new roofs on the Hanes Building and Fine Arts Center, new interior paint and a new heating system in the Fine Arts Center, new network infrastructure for the entire campus, as well as quality of life upgrades like water bottle filling stations and security system upgrades. The excellence of our faculty and program has been recognized first by our full accreditation by the Virginia Association of Independent Schools, but also by the selection of our faculty to serve as graders for the prestigious Advanced Placement exam organization and presenters at both national and statewide education conferences. That all culminated this year in Broadwater Academy being named as the top K-12 school in the Eastern Virginia region by the readers and editors of Virginia Living Magazine, a well-earned recognition that the entire Broadwater community can be proud of.

As always, the proof is in the pudding, and our graduates continue to have success at highly competitive state and private colleges and universities. Most of our graduates finish Broadwater with dozens of college credits earned through dual enrollment and Advanced Placement course work.

(continued)

BOARD CHAIR MESSAGE (CONT.)

My own son started Virginia Tech as a freshman but with enough transfer credits from Broadwater that his first transcript from Tech listed him as a Junior after just one semester. That kind of head start gives our graduates the flexibility to do a double major or even complete a four-year degree program in just two years. Many Broadwater graduates have told me that the rigor and difficulty of the work they did in upper school at Broadwater exceeded the difficulty of anything they experienced at university. They were so prepared by their experience at Broadwater that college courses seemed easy. That is a true testament to the hard work and professionalism of our faculty and proof for our families that their investment has paid off.

We continue to need your support. As you know, tuition only covers about 70% of our operating expenses. The rest comes directly from the charitable contributions of our community. Broadwater receives no state or federal funding. We rely completely on tuition and charitable giving. Broadwater Academy exists to give the families of the Eastern Shore an option in the local educational ecosystem that values and respects parental values and choices. Parents are our customers. We are not beholden to any other organization or agenda. We are the only pre-K through 12 educational institution in Northampton and Accomack counties that can make this claim. We need your support to continue in this mission. Your charitable giving will have an outsized impact at Broadwater that will benefit generations of Eastern Shore families. I encourage each of you to take advantage of opportunities to get involved with the school through volunteering and to continue to give generously to the Viking Annual Fund. In addition, consider participating in our Viking Book Club which enjoyed its first year in '24 - '25 and has just kicked off its second year. The inaugural year was a tremendous success, giving parents, faculty, and administrators a chance to have meaningful conversations around current issues concerning child rearing and education. It's another great example of how BA puts parents first and why your continued financial support and involvement is vital to the success of Broadwater.

Again, I am grateful for the opportunity to serve Broadwater Academy, and for the trust and faith that has been placed in me over the last years. This community has been so good to my family and to me. It has been an honor and a joy to attempt to repay that kindness through my service as a trustee. I am looking forward to a strong 2025-2026 year!

Chris Willis

CHAIR, BOARD OF TRUSTEES

HEAD OF SCHOOL MESSAGE

Dear Broadwater Family:

The 2024-2025 edition of Tideline recognizes how our community of families, alumni and friends of the School have coalesced around the goals of strengthening the future of our learning community anchoring the Eastern Shore. We take seriously our charge to help develop respectful civic-minded leaders and productive citizens.

Broadwater Academy is the premier learning community on the Eastern Shore of Virginia for pre-K – 12 education. Our talented faculty has lifted Broadwater to be the healthiest professional environment in the region in which to work. Attracting the highest quality faculty in our region who align with our School's values and vision is my highest priority in serving you and your children.

We have a dedicated board of trustees committed to the success of our School and our families. They have inspired and led efforts to tackle deferred maintenance and infrastructure needs that our students have needed and deserved. In the spirit of the season, I am grateful to them and their partnership, particularly Chris Willis who leads our board with great thought, care and his sight trained on the horizon for Broadwater.

The year 2024-2025 was marked almost weekly with achievements that evidenced the strengthening School culture so that we are the most enriching and challenging school possible. We have elevated our programming across the board. Of note, in our middle school, we have pioneered partnership with Virginia Marine Resource Commission in offering Virginia safe boating education and certification. All this is buoyed by our cornerstone athletic programs for boys and girls.

In this edition of Tideline, we highlight our broadening base of support and increasing the depth of support of families, alumni and friends at all levels. Thank you for your commitment to our School and toward strengthening its future. We plan to count on you again this year as you make your plans for giving.

PERPETUAL & END OF THE YEAR AWARDS

2024-2025

The John Evan Payne Memorial Award is presented to the Grade 5 student who exemplifies the qualities of perseverance and has an unusual zest for living.
2025 Recipient: Isabel Rader

The James G. Hanes, Jr. Memorial Award is presented to the Grade 8 student who best exemplifies the spirit and ideals of Broadwater Academy. This student should be a strong leader and an active participant in school events. In addition, this student should be curious, mature, polite, respectful, and have high academic standards. The recipient should demonstrate a willingness to share his or her talents with Broadwater Academy above and beyond the call of duty.
2025 Recipient: Caroline Caison

The Janine Murphy Nottingham Memorial Award is presented to the Grade 5 student who best demonstrates a cheerful and positive outlook, who delights in life's most insignificant moments, and who finds beauty and worth in what others see as only the very ordinary.
2025 Recipient: Winter Ford

The Elizabeth Mumford Ames Award is presented to the Grade 3 student who best demonstrates outstanding character and integrity. Mrs. Ames was a Grade 3 teacher at Broadwater, a member of the Board of Trustees, and a loyal friend of the school throughout her life. She is fondly remembered by this award for those qualities that she sought to develop in children to prepare them for successful lives. The recipient of the award consistently is compassionate and helpful, understands the value of putting others first, and demonstrates excellent manners to all.
2025 Recipient: Sally Bundy

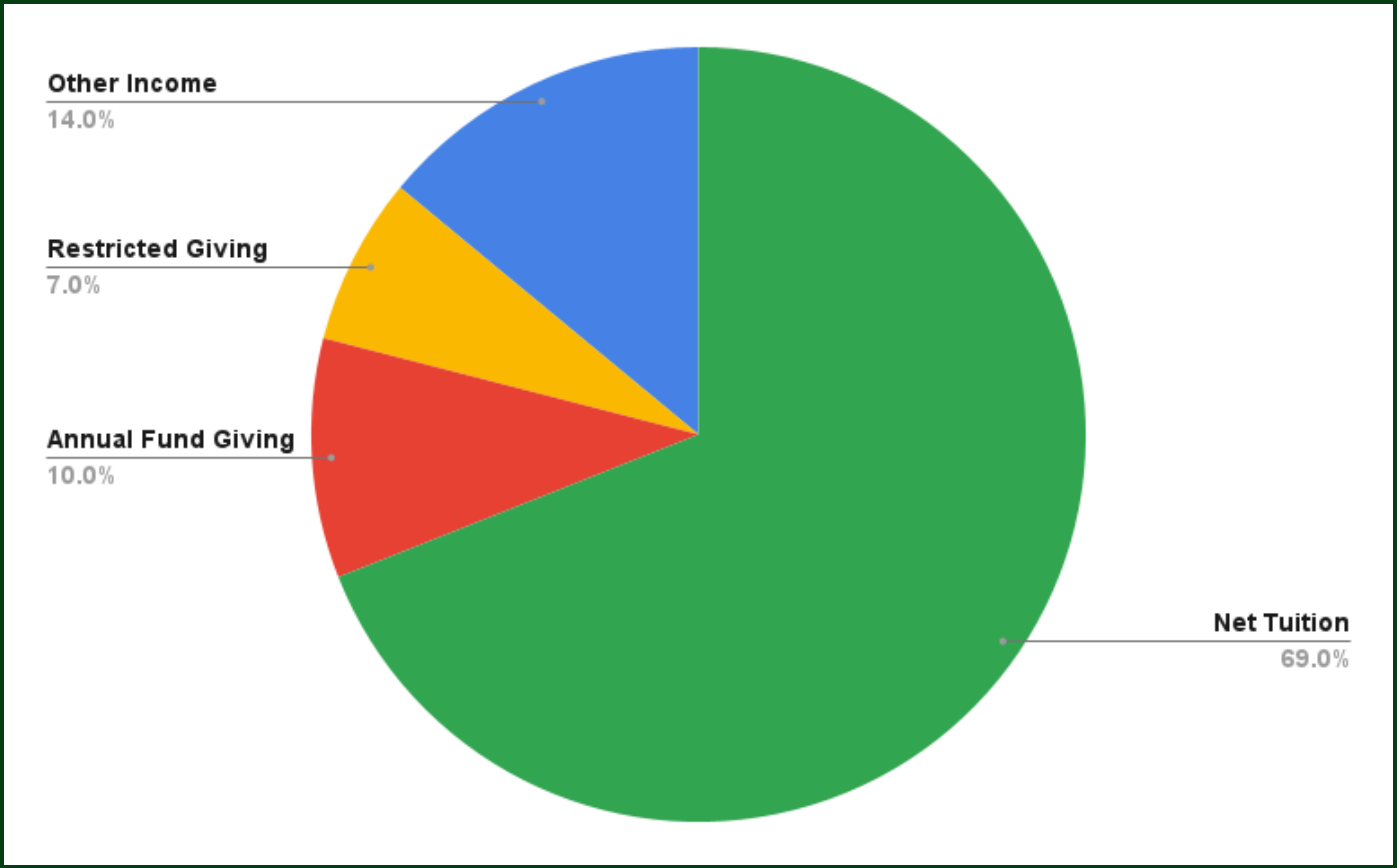

The Ashley Elizabeth Burger Memorial Scholarship is presented to a female eleventh-grade student currently enrolled at Broadwater who has displayed a consistently positive attitude, a ready smile, good sportsmanship, athletic and leadership qualities. It is given by the Burger family in memory of Ashley, who exemplified all of these qualities during her time at Broadwater and beyond.
2025 Recipient: Neiley Guinan

The Eskridge Memorial Scholarships are presented to two Middle School graduates who, in the opinion of the faculty, best personify the six pillars of character: trustworthiness, respect, responsibility, fairness, caring, and citizenship. Bruce and Debbie Holland give this scholarship annually in memory of her mother and father, Mr. and Mrs. W.E. Eskridge.
2025 Recipients : Nina Adler and Caroline Sturgis

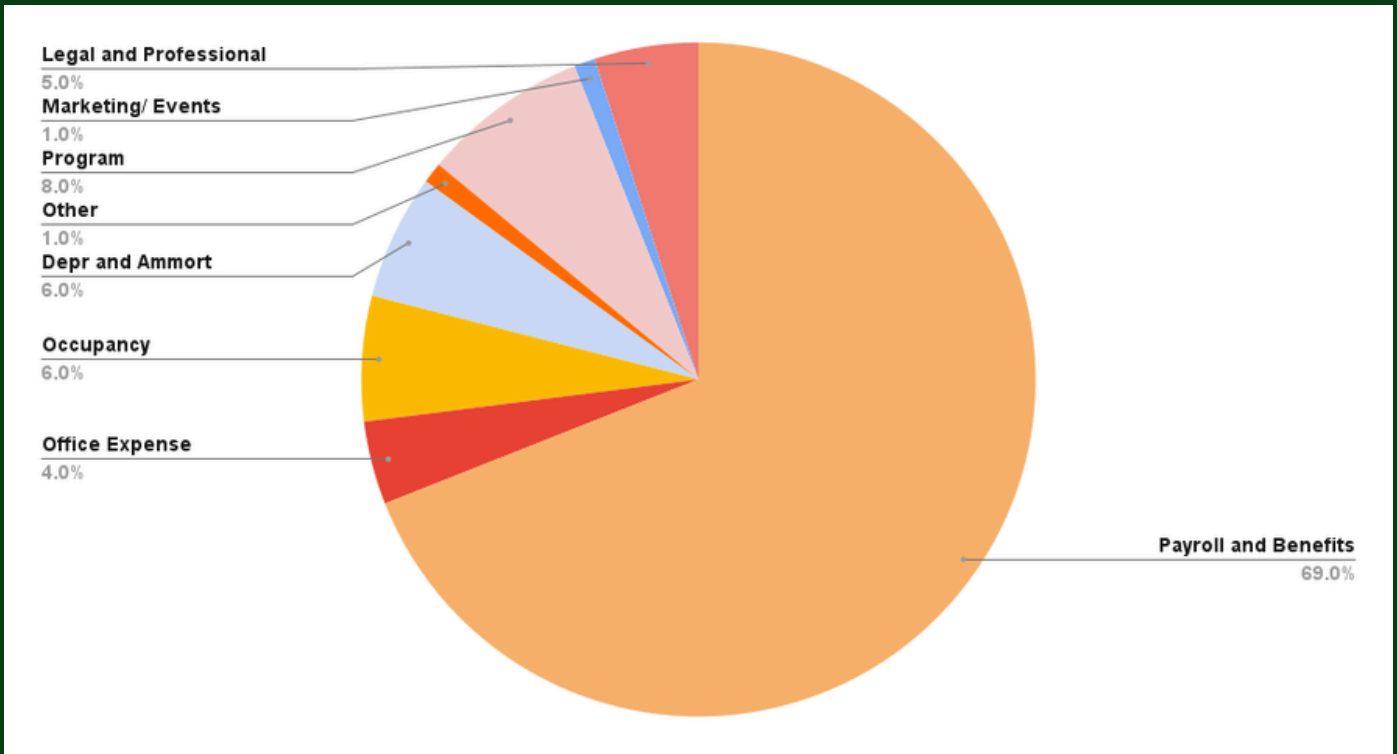

Congratulations to all of our award recipients!
