Middle & Upper School Dress Code

At Broadwater, everyone follows a dress code to help us feel part of the same team and show respect for our school. Clothes should be clean, neat, and in good shape. Hair shouldn't be too distracting, and if you have facial hair, it should look tidy. Tattoos must be covered during school or when you're representing Broadwater outside of sports. Hats and hoods cannot be worn inside. If you break the dress code, you might not be allowed in class and could be disciplined. If a teacher asks you to fix something, you need to do it right away. Following the dress code is part of being a full member of our school community.

School Dress
